Happily Ever After

Located on picturesque Penny Lane in Totley, just seven miles from Sheffield's city centre, The Cricket Inn takes its name from the pitch it overlooks, which is nestled perfectly on the edge of the Peak District with a stunning backdrop of Blacka Moor.

Dating back to the 18th Century, the stone building fits into its surroundings perfectly. With a warm welcome, exceptional location and delicious local and seasonal food, what more could you wish for?

We have been successfully delivering weddings for over ten years, our experienced and dedicated team will help bring your vision to life giving you the day you've always dreamed of.

The Legal Bit

The Cricket Inn is not licenced for civil ceremonies, however there are many spots around us which are, to suit all tastes.

Please see our contacts list on the last page to see venues our brides and grooms have used in the past.

Marquees at The Cricket Inn

Always dreamed of a wedding outside or do you have a big family and too many friends? Not a problem! We have ample room to pop a marquee, tipi or even a yurt on the garden. We are not tied to a specific company, we give you the flexibility to find your own company and work with them closely to make sure we create your own little bit of Narnia (the venue of your dreams).

Canapes & Wedding Breakfast

Our head chef has over 18 years experience, with a background in Michelin starred & prestigious kitchens. He has the ability to cater for all tastes, from wholesome pub grub to haute cuisine. We offer wedding menus that you build, we ask you select one meat and one vegetarian dish to offer your guests.

Don't see anything you like on our menus? No problem, we can design a bespoke wedding breakfast to suit you.

Evening Reception

The Parlour Room is the perfect place to finish the night with drinking and dancing. We don't have an in house DJ, we give you the flexibility to book your own entertainment, be it a band, or DJ, the choice is yours.
